**WARNINGS** – this information sheet shows the bus route from one terminus to the other and times of the main bus stops. On the basis of the timetable, passages at the intermediate bus stops are deductible. Times of bus stops and routes may be subject to slight variations due to service needs or causes external to the service itself (e.g., traffic conditions). It is therefore advisable to get to the bus stop reasonably in advance before the scheduled time.

**BUS RIDES EQUIPPED FOR DISABLED IN WHEELCHAIR** During the validity of the present timetable, rides are carried out using buses equipped with 1 seat for disabled in wheelchair and an automatic platform at the central door. For service needs, "equipped" buses may be used in conjunction with non-equipped ones. Therefore, Mazzone Turismo cannot guarantee the use of vehicles equipped with automatic platform on every bus ride.
